

Change UHMC Password on iPhone

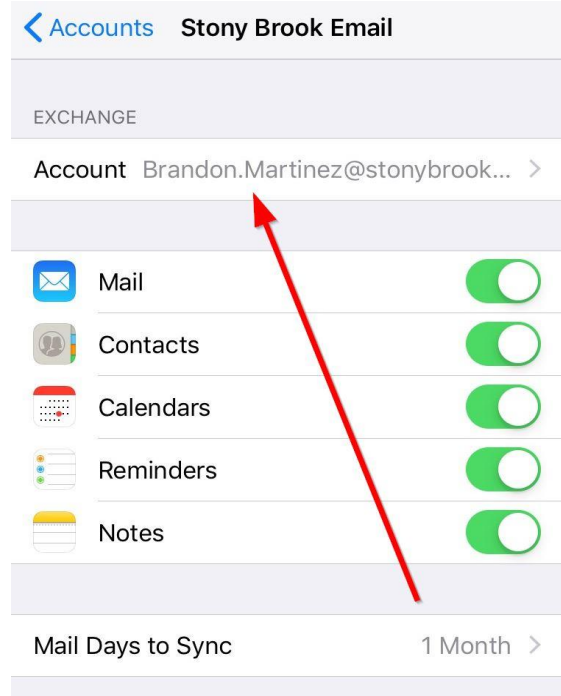

1. Open your settings app, and select Passwords & Accounts:

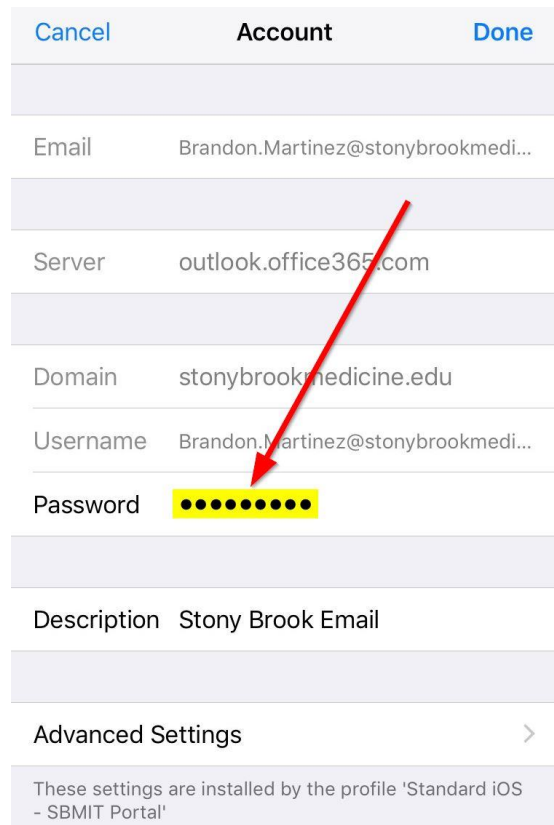

2. Select Stony Brook Email (it may show as Office 365 or Exchange):

3. Select your name/email at the top of the screen:

4. In the password field, enter the latest UHMC domain password that you have set and hit Done (this is what you use for your computer login or email):

5. When successful, you will see check marks along the right side of the screen, and you will be sent to the previous screen:
