# Connecting to WolfieNet-Secure on Android

1. Open your settings app, and select Connections. Hit Wi-Fi:

2. Select WolfieNet-Secure:

SBUMC is no longer needed on mobile phones, as WolfieNet is now the primary wireless for employee's mobile devices.

3. CA Certificate should be set to **Don't validate**, and Identity and Anonymous Identity will be your NetID username, then your password comes next. This login uses your NetID credentials, these are obtained from within SOLAR. Assistance for your NetID or SOLAR login can be obtained from West Campus support (631-632-9800). Once complete, hit Connect:
